Re: Flower Mound Ranch Schools

Dear Superintendent Wright:

As you are aware, the owners of Flower Mound Ranch have been in active dialogue with Argyle Independent School District (AISD) and the AISD demographers to plan for future Flower Mound Ranch students. Based on those discussions, at this time, Flower Mound Ranch will program 50 acres for school sites, including a 15-acre elementary school campus to be donated to AISD by the Furst Family Foundation and a 35-acre middle school campus to be purchased by AISD.

Flower Mound Ranch and AISD will continue to collaborate and if AISD needs more land, Flower Mound Ranch will sell additional land to AISD.

Respectfully,

Shupe Ventura, PLLC
